Travellers Bungalows -

In 1890 it was brought to the notice of Govt by the Deputy Commissioner of Kaira that the establishments of some of the 3rd Class travellers bungalows in his District were paid from Provincial Funds, and others from District Funds! With a view to securing uniformity Govt asked each Deputy Commissioner to report whether the establishments of 3rd Class bungalows in their several Districts were being paid for out of Provincial Funds.

0010001

2. From replies received it appeared that there was no uniformity of procedure in any District, and Their Circular No 13446-53 of Cir 2851368 23-2-91 was issued calling for Class statements of all 3rd Class Bungalows in each District, showing amt of cost of establishments charged to Provincial & District Funds respectively.

3. It would appear from replies received that the salaries of Kotwals & Dandies being classed as "Kotwal Establishment" their pay is charged to Provincial Funds. Sweepers & Sakies are on the other hand classed as "Travellers Bungalow Establishment" and their salaries

are debited to Local Funds-
as per para 3 of Circular No 6125
dt 14-9-1870.

District Funds and partly from Provincial Funds as shewn in the accompanying Statement, of which the following is the abstract. The reason why it is partly debited to District Funds and partly to Provincial is not known; but it is presumed that all establishments prior to the formation of District Funds continues to be borne by Provincial funds, the cost of the establishments subsequently ~~sanctioned~~ being borne by District Funds.

To secure uniformity, the Government direct that from the official year 1892-93, the whole cost of

are treated as Provincial, and 3rd class Bungalows alone as Local. I see no principle in this. Ordinarily the cost of all Travellers Bungalows is met from D. Funds. Inspection Lodges, used exclusively by Govt officers may continue to be treated as Provincial

From the papers read above, the cost of the establishment of the 3rd class Travellers Bungalows is partly met from

Placed them before the Dewan for his approval.—

My opinion is that the cost of all Travellers' Bungalows, whether 1st & 2nd class or 3rd class, must be debited to Provincial Fund — viz 1st & 2nd Class — Bungalows

Mr. Chentsal Rao's note on
(1) Travellers Bungalow charges.
(2) Irrigation Cess.

---

(1) The Honorable Councillors' remarks regarding Travellers' Bungalows are not quite correct, unless they refer to Establishment charges only.—

(2) The construction and repairs of all classes of Bungalows are debitable to Provincial (P. W. Budget).—

(3) Establishment charges for 1st and 2nd class are debitable to Provincial (Civil Budget); for 3rd class to District Funds.

(4) The District Funds simply cannot afford to maintain the establishments for all Bungalows.—

(5) There is this reason for the distinction regarding charges for Establishments. It is that, as a rule, 1st and 2nd class Bungalows are chiefly used by through travellers, 3rd class mainly by local officials

Board's — No. is now seen from the 8th col. of the B/C of Secretariat Office — Reg 9

officials and the local community. It would be better, I admit, if there were no distinction.—

But it is a mistake, to say that if the distinction in regard of charges is abolished all the bungalows "will come under one supervision". They are all now under the Revenue officers, and the local Engineer officer is responsible for the repairs of all of them.—

The P.W. department cannot afford to take over to "Provincial" any more of the District Fund roads. It seems to me the burden of all local roads not being "through" communications in the ordinary sense should fall on District Funds, and if this principle is departed from it will be difficult to know where the line is to be drawn.

Better keep up the old distinction as regards Bungalow charges than allow the District Boards to think that they can gradually disembarass themselves of any of their responsibility for local Communications.—

The best distinction, if any at all other than what now obtains is necessary,

would

would be to make all charges for Bungalows on Provincial roads, "Provincial", and all charges for Bungalows on local roads "District charges".—

When making my remarks I did not think of Kutwals & Daidars whom I classed as Lugaar servants or officials rather than employed servants. Hence the mistake.

It is for them [illegible] to decide as to the incidence of the charges in such establishments, & I have nothing to add to what I have recommended in my letter of 25th July 90.

Order thereon [illegible] 9300-1 9/21-2-90 338 28

From the above it appears that the highest number of Travellers that halted in the Travellers Bungalow at Salcrapatna in a year 1890 67 (or about 6 a month), the fee collected being Rs 2-4-0. The Govt consider that the existing establishment of a Kotwal and a Watchman is ample, and do not think that an additional Dandi is necessary.

2. From the statement received with the above, it appears that of the 6

6 Kotmals and 7 Dandies at present maintained in the III Class Travellers Bungalows in the District, 3 Kotmals and 2 Dandies, costing Rs 32 per mensem are paid from Provincial Funds, the rest being paid from the District Funds. The circumstances under which the pay of 3 Kotmals and 5 Dandies is debited to District Funds, while the pay of the others is debited to Provincial, have not been stated. The Dy Com is requested to explain the matter.

3. The Bungalows named in the margin have no establishments whatever. The Dy Com is requested to state whether they are not frequented by travellers and whether even in the absence of a watcher the buildings are not liable
